Dear Friends of the Farm,

We love the idea of shopping 'small' which has become a welcomed trend over the years. Our farm family would love nothing more than to turn this 'trend' into 'tradition' as we celebrate all of the locally loved, unique businesses in our community!

Our farm market is thoughtfully stocked with goodies that all will truly enjoy receiving! Discover a gift for everyone and every budget - from one-of-a-kind hand made ornaments to *Jersey Fresh* T-Shirts, a huge selection of John Deere toys and collectables to gorgeous hand-crafted gift boxes and baskets that feature our own honey, sauces, salsas, local coffee, farm mugs, ginger elixirs and more! And don't forget that everybody eats... farm market gift cards are always a crowd pleaser, and so easy!

As you read on to discover other great local gift ideas, including easy online ordering of beloved children's books by New Jersey authors to

local restaurant gift certificates, know that your support in our community is always appreciated and needed. Thank you for keeping this wonderful neighborhood thriving! In appreciation, we have included a coupon below to present at your next visit to the farm market - don't forget to print it!

We wish you and your family a very happy and healthy holiday season!

Sincerely,
Katie & Greg and the entire Donaldson Farms Family

2021 Gratitude Give-Away Recipients

Our **Farm Facebook Page** friends nominated special people in their lives to be recognized. We had such a great response that we decided to gift not 4, but 6, \$50 Farm Market Gift Cards. Congratulations to the following:

1) **Michelle Teal Stroessenreuther** “I am thankful for our much loved neighbor of 27 years. She unofficially adopted our boys as her “grandchildren” and they love her as their grandmother! She was one of the first visitors at the hospital when they were born, has enjoyed cookies and milk after school at her kitchen table with them and shared in all their major life events to date! She is our blessing this season!”

2) **John Craven** for nominating 'Patty Law Craven.'

3) **Kimberly Zimmerman**: “Thankful for my husband. I had been in and out of the hospital for a few months and he held down the fort while I was there. Then again this past month when I went in for surgery with a longer stay than normal. Kids and animals survived all while he was working hard at his job and also making time to come visit me.”

4) **Tracey Steele Matlock** “I am thankful for a friend that is like an older sister to me. She is always there.”

5) **Christina Sgaramella**: “My boss! The past 3 years have been very tough for my family and she is always encouraging me to take time off when needed for self-care. She has supported my family endlessly in our time of need!”

6) **Stephanie Sgaramella** posted (a week prior to Christina Sgaramella’s post): “My sister (Christina Sgaramella) who has been SLAYING IT taking care of her teenage daughter with cancer for the past 3 years PLUS her two other teenage daughters all as a single mother! #hopeformaddy”

Thank you to all who took the time to share and nominate these inspirational people.
